

A Gospel-Positioning System: The Redemption Roadmap

1. **Law** What the law commands; Israel breaks (*Romans 3:20; 5:20; Gal 3:21*)
2. **Prophets (1) Judgment:** What Israel breaks; the prophets condemn (*Jeremiah 25:4-5; 26:4-6*)
3. **Prophets (2) Salvation:** When the prophets condemn; they also promise Messianic hope (*1 Pet 1:10-12*)
4. **Christ** The word of hope is always fulfilled in Christ—now and not yet (*2 Corinthians 1:20*)
5. **The Gospel** Finding only moral lessons and spiritual examples in the Old Testament without attention to the gospel misses the power of God’s Word to save and sanctify. It also ignores the way Christ intended for us to read Scripture (*John 5:39; Luke 24:27, 45-49*).
A GPS reading of the Old Testament moves from the text, through redemptive history, to Jesus Christ. A GPS reading sees how the Law is fulfilled (*Rom 10:4*) and the Prophets realized in Jesus Christ (*Rom 15:4*), and makes us all wise unto salvation (*2 Tim 3:14-16*).
6. **Christian Application** *Faith working itself out in love: Repenting* of sin; *Praising* God for Christ’s objective work; *Believing* on Christ for grace; *Walking* in the Spirit secured by Christ (*Gal 5:6; Col 2:6-7*)
